

CHARLES SWIFT,

SURGEON DENTIST,

Respectfully informs the citizens of Andover and vicinity, that he has taken rooms over the **Depot Store**, where he will be pleased to attend upon all who may require his professional services. He attends to

CLEANSING

the Teeth in a manner that will not injure them, but add much to their beauty and durability.

FILLING

with fine Gold or Tin Foil, as the condition of the case may require, the object of which is to preserve and render the teeth useful, which would otherwise become painful and useless.

PIVOT TEETH.

Teeth set on Pivots, which firmly retain their place on the roots, which cannot be detected by the most observing eye.

ARTIFICIAL TEETH

set neatly on Gold Plate, from a single Tooth to an entire set, with clasps, springs, or on atmospheric pressure.

Teeth *carefully extracted*, with new and improved instruments. All decayed roots removed, and the mouth left in a healthy condition.

Advice in regard to diseased Teeth and Gums, together with irregularity of Children's Teeth, given gratis.

Dr. S. pledges himself to give entire satisfaction in all cases, *or no charge.*

CHARLES B. SWIFT.

DENTIST.

I have my office at the corner of Adams and Virginia, Boston, Mass., and am prepared to receive patients at all hours of the day and night. My office is on the first floor of the building, and is well lighted and ventilated.

CLEANING.

The teeth are a person's pride, and it is not only a matter of pride, but of health, to have them kept in the best condition.

FILLING.

With the use of the best materials, I fill all cavities of the teeth, and guarantee the work to be permanent and reliable.

PULLING TEETH.

Teeth are pulled with the use of the best instruments, and the patient is kept comfortable throughout the operation.

ARTIFICIAL TEETH.

I have a large stock of artificial teeth, and am prepared to make a complete set of artificial teeth for any person who desires them.
